Secretly Dating

Hey, what do you mean you want to keep the fact that you're dating Aoi a secret?

Ginga
The boy with the furrowed eyebrows. He is easy to draw.

Say some-thing.
I- I'm sorryyyyy, but being together with Aoi-kun might cause envious glares, so this is a form of self-defense.
Self-defense?
Ginga.
Are you perhaps bullying Mahiru?
I'm not! It's cause this girl said she wanted to keep the fact that you two are dating a secret.
Really? That's pretty mean.
Even though I really enjoyed our date.

I- It was fun for me too..!
Then isn't it okay?
Let's walk to class together.
I want to show off.
There's no way that'd happen.
It would!! Please no!!
Show...
More like freak show!!
CHILL
Then, just today, could we go to class together?
fidget fidget
There's a lot of girls that like Aoi.
I don't think there are but...
Of course there are!! When we're in school please avoid me!!

Good morning.
.....

Yeah.
Let's get used to it nice and slow.
See, it's fine.
...Good morning.
G- Good morning.
step step step
Mor-ning-
Just how much do you like this girl?
They're acting normal cause you went and silenced everyone with that unnatural smile.

Good morning.
Happily coming to class together, I see.
SFX OOMPH

As expected, you two give the couple sort of feeling.
You really do suit each other.
What!
KEEP IT A SECRET!
I'd like you to keep the fact that Aoi-kun and I are dating a secret.
HUUUH?

HUU UH~~?!
But, we don't really balance out.
I'd like to properly try and balance out the difference between us!!
And,
.....
So annoying.
N~
Not really,
We're not like that.
U... What about you?
Have you made any progress with Sensei?
SFX: RATTLE
But you're childhood friends, right?
You don't go to his house or anything?
I don't!
I haven't gone in years.

.....
Now I don't see him unless we're at school.
Then why don't we go to his house together?
T- Then...
W- Why are you saying that all of a sudden?
.....

.....
.....
If it were the two of us, I thought it'd be easier to go...
Is that no good?
Yeah!!
I'll think about it.
BZZZZ
Did he go out of his way to send me a message on Line?
Ah, it's Aoi-kun.

Hmmm
.....
Aoi-kun
My work starts early today so I'm leaving early, sorry. Tomorrow one of my rare days off so let's go to Mineya's together on the way home.

It's Mayo's boyfriend.
Is something wrong?
Umm...
Has Mayo not come home yet?
Should I try contacting her for you?
Ah, no, I was just about to go home.
Is that so...?
Sorry. It's nothing, don't worry about it.
That was weird.
I'm home.
Welcome back.
Your boyfriend's waiting outside, you know.

Hmm.
Ohh... He's still there.
Y... Yeah. It kinda feels like he's been waiting a long time.
click
shaa
Did something happen?

Hey Mayo.
Your boyfriend is still waiting out there.
Is that really okay?
step
step
.....
I wonder if Mayo intends to break up with him.
What do I do? The truth is we sort of argued a little too much.
Oh really?
Onee-chan...
.....
...I guess I really should go apologize.

You're wrong, Mayo.

The awful one is me.

You're wrong.

Even though I said I wanted to move forward...

My heart is so ugly, I can't stand it...

Morning.
look
look
Good morning.
Oh, he did on Line.
Aoi-kun
My brother suddenly got a fever so I'm leaving early today.
Huh?! He left already?!
If you're looking for Satomi-kun, he left early.
Did he not contact you?
I should ask him tomorrow.
I wanna visit but I don't know where their house is...
Is he okay?
By brother, does he mean that one?

As promised, he's avoiding me!!
As things are now, the week is going to end before we get a chance to talk.

Should I go check on him?
He's pretty worn out so he's sleeping.
He's been pretty busy with work lately.
Hm?
Is Aoi-kun not coming to lunch today too?
I wonder if he really needs to work so much.
I'd feel bad for waking him.
It's fine.

Huh...? Is it possible that I don't know anything at all about Aoi-kun?

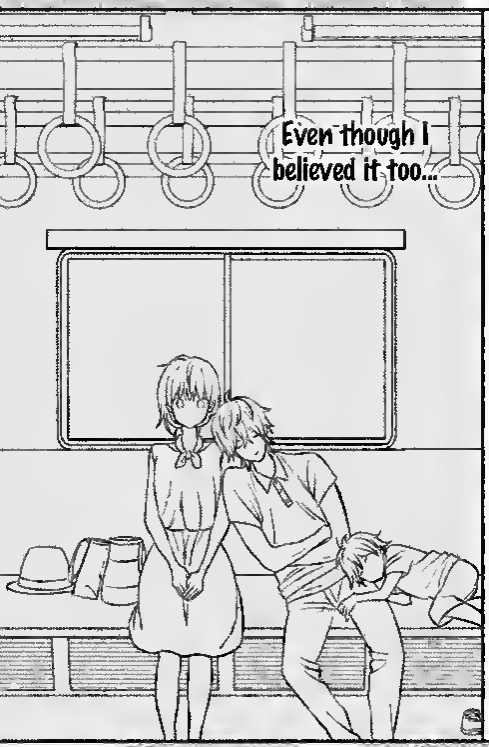

Without knowing anything, I said I liked him?

I haven't moved forward at all.

Without understanding him at all, I went and told him to avoid me.

Even though I believed it too...

Even though he said that if we were together, it'd all be okay.

It's as if nothing's changed from before we started dating.

Please teach me more about Aoi-kun!
What do you mean?
I realized that I don't know anything about Aoi-kun.
Huh?!
I want to properly learn more about him in order to like him...
SFX MENACING
Didn't you say you already liked him?
Y- You're mistaken. It's not like that,
I mean, it is but...

I don't have much confidence in myself, so, at the very least, I want to try and become number one at liking Aoi-kun in the whole world.
...cause he's popular,
I don't want to lose out to some other girl's feelings.
Hmmmm.
.....
Huh?
Hey, don't joke about that.
I wouldn't be surprised if he ended up hating me.
Also, during the date, I did nothing but cause trouble.

Aoi said that he liked you.
Don't doubt that.
.....
B- But I kept receiving from Aoi-kun.
I wasn't able to give anything back, I couldn't do anything at all.
Isn't that normal?
You know,

Ow-
Flick
And one more thing.
The fact that you're thinking about him makes me honestly feel relieved.
When you like someone, aren't those types of worries normal?
If you want to know more about Aoi, then ask him yourself.
It would definitely make him happy.

I thought I'd ask a bunch of things but,
I wonder if he had work today too.
Aoi-kun
Sorry I have work today too.
It's hard to talk to him so I'll try Line.
I see...
I see.

I wonder what bread I should order...
I ended up going alone.
You reap what you sow but,
in the end, I wasn't able to talk to him.
Welcome to the store
I know him.
He's that first year
Woah, so handsome.
I want to have confidence.

Properly.
I wanna talk.
rattle
Is this seat open?
You alone?

I'm hitting on you.
Huh?
Huh.
Can we talk for a bit?
I wanna talk but...
What about work?
No? Is this no good?
It's not no good!
Why are you saying it?
That's what I'm supposed to be saying

The store closed for today.
Moriya-san told me that you went to Mineya's, so I came after you.
I'm glad I made it in time.
Mahiru, Can I touch you?
I need some healing.
Huh?! Healing?!
?
Because I'm all worn out.
.....
...Go ahead.

It's the first time I've touched you in a while, Im glad.
It's also the first time we get to talk in a while, Im glad.
M- Me too!

It's not stupid.
It's something important to you, right?
It's all because I said that I wanted to keep it a secret.
It's all because I went and said something stupid like that.
Yeah.
But...
.....

But because of that, I overlooked something else important to me.
Aoi-kun, I have a question for you.
H- How many siblings do you have?
Hm? If you include me, five total.
W- What about favorite food?
Meat.
I love any meat really.
Favorite subject?
If I had to say, Math and Chemistry, I guess.

Why do you always work so hard when it comes to work?
..Ahhh.
Because I need money.
It's no fair that Mahiru gets to ask all the questions. I have some questinos of my own.
Huh?
.....
Where do you want to go on our next date?
.....

I wanna,
get talismans together.
I collect charms. So, a shrine would be nice.
That's great. Let's go next time. It's sure to be fun.
You're not forcing yourself?? I- Is it really okay?
It's okay, it's very Mahiru-ish.
I wanna know more.
And one more thing,
why is it that you suddenly grew so interested in me?

I do too.
It's because I want to know more about you too.
Learn more about you
and properly come to like you.

Then, wanna come?
To my place.

I did it again.

I really want to change after all.

So effortlessly.

Another thing that'll end the world.

This time it'll properly be the two of us.

But...

this time is different.

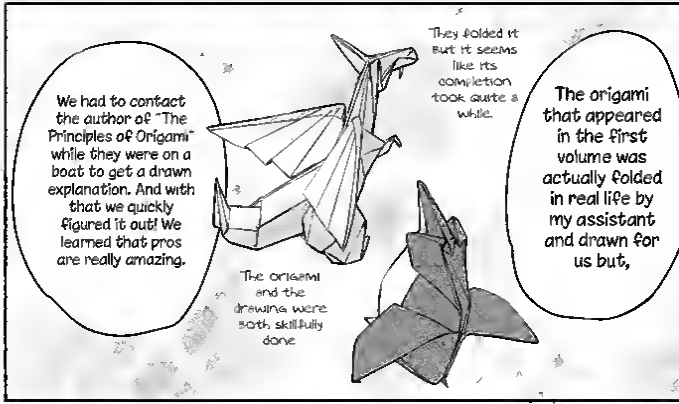

That's why,

this time for sure,

the world won't end.

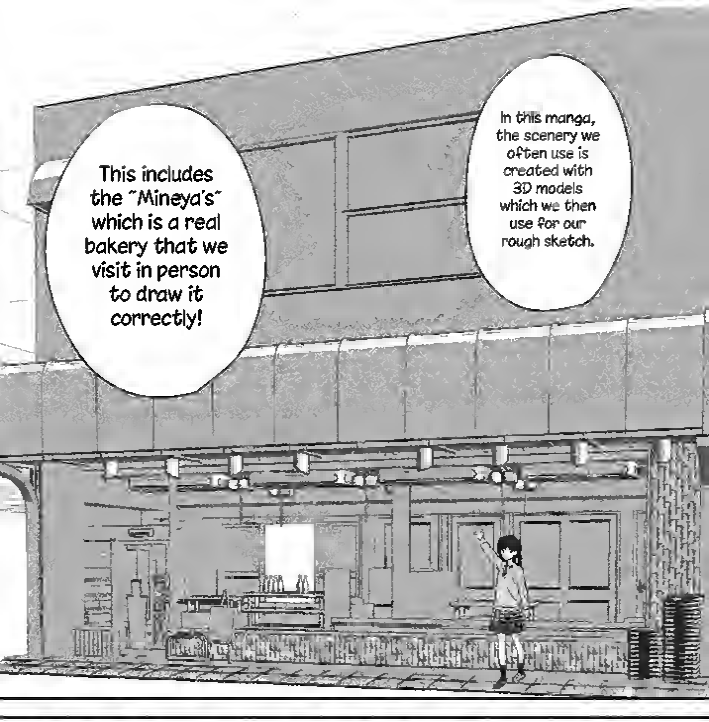

[Continued in Volume 3]

First off, let's once again start with origami.
This is a little sudden but, this time the page will be the same as volume 1 for your convenience. We will show you around backstage.

We had to contact the author of "The Principles of Origami" while they were on a boat to get a drawn explanation. And with that we quickly figured it out! We learned that pros are really amazing.
They folded it but it seems like its completion took quite a while.
The origami and the drawing were both skillfully done
The origami that appeared in the first volume was actually folded in real life by my assistant and drawn for us but,

Thats what gets you?
So cool!!
Aoi-kun can instantly make these kinds of time consuming origami...

For this manga, we assistants use the internet to work remotely.
The drawings in the notes between us are really cute!
Next up, our comforting assistant will now explain things!
The one who added this in was the one in charge of quality.
Wherever we go we're counting on you?!
We are counting on you to place us properly!!
Speaking of which, you talked just like that during the mistaken identity conversation.
Did I?
If you're actually saying that, then I'd like to know exactly what part of me you think is soothing.
Moriya-san is the soothing type too, eh?

In this manga, the scenery we often use is created with 3D models which we then use for our rough sketch.
This includes the "Mineya's" which is a real bakery that we visit in person to draw it correctly!

Even the inside has been provided to us!
So high tech~!

The world is going to end!
Should we give them a little service or something then?
We still have some of the pages left...
...What do we do?
I hope you enjoyed it!
And so, this concludes this time's behind the scenes tour!
SFX: BA-DUMP
ドキドキ
Why are you blushing?! We're not going to!
Wouldn't that make us into a different kind of manga?!
L- Like a kiss or something?
Service...
SFX: CREEP
I wanna watch.
Huh, but,
If you're her boyfriend, then stop her!
Wait, Satomi-kun, you were here?!
Ruthless
